

EN IMPORTANT:

Failure to read, thoroughly understand, and follow all instructions can result in serious personal injury, damage to equipment, or voiding of factory warranty.

INSTRUCTIONS OF SAFETY AND WARNINGS:

- Make sure that the mounting surface is strong enough to handle a mounted product and equipment.
- DO NOT EXCEED THE MAXIMUM LISTED WEIGHT CAPACITY.
- Always be sure to have someone assist you or a mechanical device to lift and position heavy products safely.
- Tighten screws firmly, but do not over tighten. Over tightening can cause product damage that greatly reduces the holding power.
- Keep a clear area and distance from moving parts when using the product.
- Use only as intended. Never stand, hang or climb on the product.
- This product is intended for indoor use only.
- Any attempts to reconstruct the construction aren't allowed.
- This product may contain small items that could be a choking hazard if swallowed. Keep children away unless the product is intended for their use and all instructions and manuals are fully reviewed and understood by them. Check that the product is secure and safe to use at regular intervals (at least every three months).
